

About TNAAP:

The Tennessee Chapter of the American Academy of Pediatrics(TNAAP) / Tennessee Pediatric Society is committed to being a leading voice, advocate and authority for the physical, mental and social welfare of infants, children and adolescents, as well as for the pediatricians who care for them.

The Tennessee Pediatric Society Foundation was created by TNAAP to promote innovative programs to improve the health, safety and well being of Tennessee's children.

How You Can Help:

Just by participating in this golf scramble, portions of the entry fee goes to support this non-profit organization. You can also send in a tax deductible donation, whether you participate or not. This is a great charity that helps children all over the state. This is a great way to get involved locally with a charity that needs you. It's an organization that gets you involved and it's rewarding when you can see just how much your donation improves the life of a child!
